

ANNOUNCEMENT: New Strategy

09 September 2020

This is the new thing happening at Mecatix. We are proud to announce the launch of our new strategy and new logo as a part of the evolution of our overall brand.

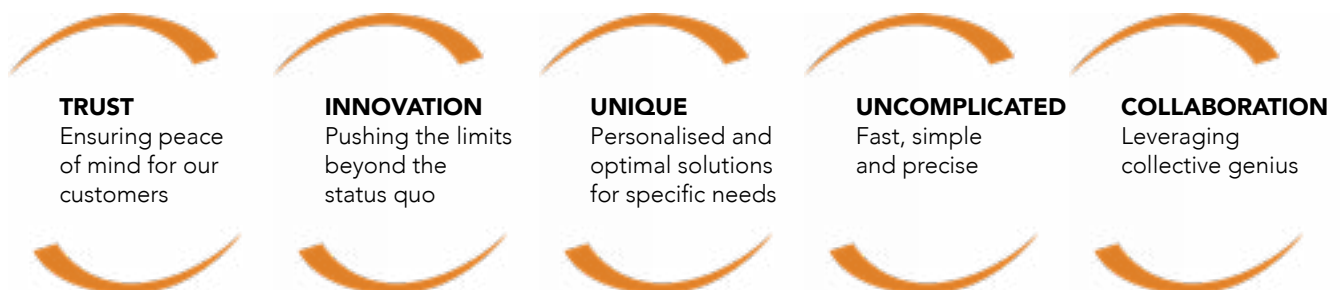

PERSONALISE WITHOUT COMPROMISE

Custom Small Gearbox Solutions
Mass Production
Full Mechanical Systems
Fast Design, Express Prototyping

Our business has grown and evolved over the last 17 years. As part of our strategy, the rebrand has been updated to reflect that growth and who we are today. It captures the essence and our mission to continue providing expertise in custom, optimal solutions for mechanical motion from ideation development to high volume production in a wide variety of industries.

What does this mean for you? Business will continue as usual but with more emphasis on honing in on our core values and attributes.

The result, focusing on the full mechanical system from designing to mass manufacturing a complete personalized drive solution that provides you with the added value and uniqueness that is unlike any other.

You'll start to see changes to our website, social media profiles, our visual brand signature and other communication vehicles.

As we begin this new journey, we'd like to take some time to thank our loyal customers and associates. Without you, this would not be possible and we look forward to continued and new successes with all of you.
